

WATERSHED IMPROVEMENT REVIEW BOARD MEETING

Meeting. The Watershed Improvement Review Board (WIRB) held a teleconference meeting on March 31, 2017. Jane Weber, Chairperson, called the meeting to order.

Cash Balances. Jerry Neppel, Department of Agriculture and Land Stewardship (DALs), provided an update on the balances in the WIRB funds. There is a cash balance of \$2.8 million and unobligated funds of \$714,000.

Reports Approved. The Board approved the following reports:

- Final report on the Silver Creek Watershed project.
- Final report on the Lake Miami Watershed project.
- Amendment to the Waubonsie Creek Watershed project.
- Amendment to the Cooper Creek Watershed project.

Projects Status. Mr. Neppel reported the status of the remaining 23 active projects:

- Eleven projects have ended and the final reports are being submitted or reviewed.
- Five projects end on June 30, 2017.
- Seven projects end on December 31, 2017.

Next Meeting. The date of the next meeting was not scheduled. However, it will be held in July 2017.
